Applicant has submitted on 10/25/04 a request for approval of a replacement sheet/figure 6. The examiner approves of such. Applicant also submitted a request for an information disclosure statement, previously submitted on 11/26/03. A review of the electronic file indicates no such IDS. The submitted documentation (copy of receipt of such an IDS) is accepted by the examiner that an IDS was submitted. However, because no copies of the documents are presently available in the electronic file, they have not been reviewed. A subsequent submission of such documents will be treated accordingly, and the examiner strongly recommends the filing of such.
